INFORMATION CIRCULAR

(As at May 24, 2019, except as indicated)

INFORMATION CIRCULAR

ArcWest Exploration Inc. (the "Company") is providing this Information Circular and a form of proxy (the "Proxy") in connection with management's solicitation of proxies for use at the annual general and special meeting (the "Meeting") of the Company to be held on June 28, 2019, and at any adjournments. The Company will conduct its solicitation by mail and officers and employees of the Company may, without receiving special compensation, also telephone or make other personal contact. The Company will pay the cost of solicitation.

GENERAL PROXY INFORMATION

Appointment of Proxyholders

The purpose of a proxy is to designate persons who will vote the proxy on a shareholder's behalf in accordance with the instructions given by the shareholder in the proxy. The persons whose names are printed in the enclosed form of proxy are officers or directors of the Company (the "Management Proxyholders").

A shareholder has the right to appoint a person or company other than a Management Proxyholder, to represent the shareholder at the Meeting by striking out the names of the Management Proxyholders and by inserting the desired person's name in the blank space provided or by executing a proxy in a form similar to the enclosed form. A proxyholder need not be a shareholder.

Proxy Instructions

Only registered shareholders or duly appointed proxyholders are permitted to vote at the Meeting. Shares represented by a properly executed proxy will be voted or be withheld from voting on each matter referred to in the Notice of Meeting in accordance with the instructions of the shareholder on any ballot that may be called for and if the shareholder specifies a choice with respect to any matter to be acted upon, the shares will be voted accordingly.

If a shareholder does not specify a choice and the shareholder has appointed one of the Management Proxyholders as proxyholder, the Management Proxyholder will vote in favour of the matters specified in the Notice of Meeting and in favour of all other matters proposed by management at the Meeting.

The enclosed form of proxy also gives discretionary authority to the person named therein as proxyholder with respect to amendments or variations to matters identified in the Notice of the Meeting and with respect to other matters which may properly come before the Meeting. At the date of this Information Circular, management of the Company knows of no such amendments, variations or other matters to come before the Meeting.

Completion and Return of Proxy

Completed forms of proxy must be deposited at the office of the Company's registrar and transfer agent, Computershare Investor Services Inc., Proxy Dept., 100 University Avenue, 9th Floor, Toronto Ontario, M5J 2Y1 (Fax: within North America: 1-866-249-7775; outside North America: 1-416-263-9524), not later than 1:00 p.m. (Vancouver time) on June 26, 2019, unless the chairman of the Meeting elects to exercise his discretion to accept proxies received subsequently.

Non-Registered Holders

Only shareholders whose names appear on the records of the Company as the registered holders of shares or duly appointed proxyholders are permitted to vote at the Meeting. Most shareholders of the Company are "non-registered" shareholders because the shares they own are not registered in their names but are instead registered in the name of a nominee such as a brokerage firm through which

they purchased the shares; a bank, trust company, trustee or administrator of self-administered RRSP's, RRIFs, RESPs and similar plans; or a clearing agency such as The Canadian Depository for Securities Limited (a "Nominee"). If you purchased your shares through a broker, you are likely a non-registered holder.

In accordance with securities regulatory policy, the Company has distributed copies of the Notice of Meeting, this Information Circular and the Proxy (the "Meeting Materials"), to the Nominees for distribution to non-registered holders.

Nominees are required to forward the Meeting Materials to non-registered holders to seek their voting instructions in advance of the Meeting. Shares held by Nominees can only be voted in accordance with the instructions of the non-registered holder. The Nominees often have their own form of proxy, mailing procedures and provide their own return instructions. If you wish to vote by proxy, you should carefully follow the instructions from the Nominee, in order that your shares are voted at the Meeting.

If you, as a non-registered holder, wish to vote at the Meeting in person, you should appoint yourself as proxyholder by writing your name in the space provided on the request for voting instructions or proxy provided by the Nominee and return the form to the Nominee in the envelope provided. Do not complete the voting section of the form, as your vote will be taken at the Meeting.

Revocability of Proxy

Any registered shareholder who has returned a proxy may revoke it at any time before it has been exercised. In addition to revocation in any other manner permitted by law, a registered shareholder, his attorney authorized in writing or, if the registered shareholder is a corporation, a corporation under its corporate seal or by an officer or attorney thereof duly authorized, may revoke a proxy by instrument in writing, including a proxy bearing a later date. The instrument revoking the proxy must be deposited at the offices of the Company's transfer agent, Computershare Investor Services Inc., at any time up to and including the last business day preceding the date of the Meeting, or any adjournment thereof, or with the chairman of the Meeting on the day of the Meeting. Only registered shareholders have the right to revoke a proxy. Non-registered holders may revoke a proxy or voting instruction form which has been given to a Nominee by written notice to the Nominee. In order to ensure that a Nominee acts upon a revocation of proxy form or voting instruction form, the written notice should be received by the Nominee well in advance of the Meeting or any adjournment thereof.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

Except as set out herein, no person who has been a director or executive officer of the Company at any time since the beginning of the Company's last financial year, no proposed nominee of management of the Company for election as a director of the Company and no associate or affiliate of the foregoing persons, has any material interest, direct or indirect, by way of beneficial ownership or otherwise, in matters to be acted upon at the Meeting other than the election of directors and approval of the stock option plan.

Narrative Discussion

Stock Option Plan

The Company's stock option plan dated October 12, 2011(the "Plan") originally received approval from the Company's directors on October 12, 2011. On May 24, 2019, the directors amended Section 5.1 of the Plan such that, subject to a minimum price of CDN \$0.05 per share and Section 5.2 of the Plan, the exercise price of an option may not be less than the closing market price during the trading day immediately preceding the date of the grant of the option, less any applicable discount allowed by the Exchange. Section 5.1 of the Plan previously stated that the minimum price of an option was CDN \$0.10 per share.

A copy of the Plan, as amended May 24, 2019, is attached hereto as Schedule "B".

Under the Plan, the Board is authorized to grant incentive stock options to certain directors, senior officers, employees and consultants of the Company entitling them to purchase common shares. The purpose of the Plan is to attract and retain employees, consultants, officers or directors to the Company and to motivate them to advance the interests of the Company by affording them with the opportunity to acquire an equity interest in the Company through options granted under the Plan to purchase shares.

The Compensation Committee periodically reviews (such review to be performed at least annually) the status of the Company's equity incentive plans and is responsible for providing any proposals and recommendations to the Board concerning the setting and amendment of any equity incentive plan and individual grants, such as stock option grants, under any equity incentive plan. When proposing new stock option grants to directors, officers and consultants, the Compensation Committee takes into consideration previous grants made as well as the number of shares reserved for issuance under the Plan.

PENSION PLAN BENEFITS

No pension or retirement benefit plans have been instituted by the Company and none are proposed at this time.

EMPLOYMENT, CONSULTING AND MANAGEMENT AGREEMENTS

The Company has an employment agreement with its President and Chief Executive Officer, Tyler Ruks, a Named Executive Officer (the "Ruks Agreement"). Under the terms of the Ruks Agreement, Mr. Ruks devotes a minimum of 75% of his time to the affairs of the Company and is paid a salary of \$125,000 per year.

The Ruks Agreement may be terminated by Mr. Ruks with twelve (12) weeks' notice or by the Company for Cause, in which cases Mr. Ruks will be entitled to payment of Mr. Ruks' base salary earned up to the date of termination plus an amount equal to the sum of the value of the pro-rated vacation leave with pay for that portion of the calendar year in which the employment of Mr. Ruks was actively employed and any vacation from previous years carried forward, along with any accrued but unpaid business expenses at the date of termination required to be reimbursed.

If termination of the Ruks Agreement is initiated by the Company without just cause, Mr. Ruks shall be entitled to:

1) any accrued but unpaid base salary for services rendered at the date of termination; a bonus for that portion of the calendar year in which Mr. Ruks was actively employed (excluding the Notice Period); any accrued but unpaid expenses at the date of termination required to be reimbursed; and the value of the pro-rated vacation leave with pay for that portion of the calendar year in which the employment of Mr. Ruks is terminated and in which he was actively employed, and any vacation from the previous years carried forward. The amount of the bonus payable above shall be calculated as follows: a) the product of the average bonus paid to Mr. Ruks for the two (2) fiscal years prior to the fiscal year in which his employment is terminated (or, where two (2) fiscal years prior to the fiscal year in which his employment is terminated have not been completed, the bonus paid to Mr. Ruks for one (1) fiscal year prior to the fiscal year in which his employment is terminated; or, where one (1) fiscal year prior to the fiscal year in which employment is terminated has not been completed, zero) divided by twelve (12), and the number of months Mr. Ruks was actively employed (excluding the Notice Period) in the fiscal year in which his employment is terminated;

2) an amount equal to twelve (12) months (the "Notice Period") of his base salary as at the date of termination;

3) an amount in lieu of the value of any annual bonus Mr. Ruks would have earned had he been employed for the length of the Notice Period;

4) continued participation in the health and welfare benefits plans (excluding short- and long-term disability benefits which shall cease on the date of termination) in which Mr. Ruks was participating at the date of termination for a period of up to twelve (12) months following the date of termination until the earlier of the end of the Notice Period or the date Mr. Ruks becomes covered under the benefits plans of another employer and;

5) continued entitlements in accordance with the Company's stock option plan in which he participated at the date of termination.

In the event of a Change of Control, in lieu of and not in addition to the termination and benefit payments listed above, if within twelve (12) months following a Change of Control, Mr. Ruks' employment with the Company is terminated for any reason whatsoever, or if Mr. Ruks' employment with the Company is terminated by the Company within three (3) months prior to a Change of Control, Mr. Ruks is entitled to:

1) The same payment and benefits as listed in number 1, above (excluding any Change of Control related bonuses paid to Mr. Ruks); and

2) amounts payable under sections 2 to 5, above, calculated as if the Notice Period was twenty four (24) months, or if such termination takes place within twelve (12) months of the Effective Date, calculated as if the Notice Period was thirty six (36) months.

If a Change of Control event were to happen as of the date of this information circular, Mr. Ruks would be entitled to payment of \$375,000 in respect of 36 months' salary, and continuation of health benefits for the lesser of 36 months and the date on which Mr. Ruks becomes covered under the benefits plans of another employer. Pursuant to the Company's stock option plan, Mr. Ruks' 750,000 stock options would become fully vested and exercisable for a period of 90 days from the date of the Change of Control.

The Company has entered into a consulting agreement with a company owned by the spouse of John Meekison, a Named Executive Officer, to provide administrative services to the Company at a fee of \$6,000 per month. The consulting agreement may be terminated at any time with thirty days' notice. However, if this termination is initiated by the Company without just cause, the Consultant shall be entitled to 1 month's severance for each 6 month period the Agreement remained in effect.

TERMINATION AND CHANGE OF CONTROL BENEFITS

There are no compensation plan(s) or arrangement(s), with respect to the Named Executive Officers resulting from the resignation, retirement, or any other termination of the Named Executive Officer's employment with the Company or from a change of control of the Company or a change in the Named Executive Officer's responsibilities following a change in control other than the Termination conditions except as described above.

CORPORATE GOVERNANCE

A summary of the responsibilities and activities and the membership of the audit committee (the "Audit Committee") is set out below.

National Policy 58-201 *Corporate Governance Guidelines* establishes corporate governance guidelines which apply to all public companies. The Company has reviewed its own corporate governance practices in light of these guidelines. In certain cases, the Company's practices comply

with the guidelines; however, the Board considers that some of the guidelines are not suitable for the Company at its current stage of development and therefore these guidelines have not been adopted. National Instrument 58-101 *Disclosure of Corporate Governance Practices* mandates disclosure of corporate governance practices, which disclosure is set out below.

(a) Independence of Members of Board

The Company's Board consists of six directors, three of which are independent based upon the tests for independence set forth in National Instrument 52-110 *Audit Committees* ("NI 52-110"). Tony Barresi, Joel Dumaresq and Greg Beischer are independent. John Meekison is not independent as he is the CFO of the Company. Tyler Ruks is not independent as he is the CEO and President of the Company. Nigel Luckman is not independent as he is the COO of the Company.

(b) Management Supervision by Board

The operations of the Company do not support a large board of directors and the Board has determined that the current constitution of the Board is appropriate for the Company's current stage of development. Independent supervision of management is accomplished through choosing management who demonstrate a high level of integrity and ability and having strong independent Board members.

(c) Participation of Directors in Other Reporting Issuers

The following directors of the Company presently hold directorships in other reporting issuers as set out below:

Name	Name of Reporting Issuer	Exchange	Position	From	To
Joel Dumaresq	Molori Energy Inc.	TSX-V	CEO & Director	December 2010	Present

(d) Orientation and Continuing Education

While the Company does not have formal orientation and training programs, new Board members are provided with:

- (a) information respecting the functioning of the Board, committees and copies of the Company's corporate governance policies;
- (b) access to recent, publicly filed documents of the Company; and
- (c) access to management.

Board members are encouraged to communicate with management, auditors and technical consultants; to keep themselves current with industry trends and developments and changes in legislation with management's assistance; and to attend related industry seminars. Board members have full access to the Company's records.

(e) Ethical Business Conduct

The Board views good corporate governance and ethical business conduct as an integral component to the success of the Company and to meet responsibilities to its shareholders. Due to the size of the Company and its present level of activity, the Company has not adopted a Code of Conduct or taken formal steps to encourage or promote a culture of ethical business conduct.

(f) Nomination of Directors

The Board has responsibility for identifying potential Board candidates. The Board assesses potential Board candidates to fill perceived needs on the Board for required skills, expertise, independence and other factors.

(g) Compensation of Directors and the CEO and CFO

The Compensation Committee has the responsibility for determining compensation for the directors and senior management.

To determine compensation payable, the Compensation Committee reviews compensation paid to directors, CEOs and CFOs of companies of similar size and stage of development and determine an appropriate compensation reflecting the need to provide incentive and compensation for the time and effort expended by the directors and senior management while taking into account the financial and other resources of the Company. In setting the compensation, the Compensation Committee annually reviews the performance of the CEO and CFO in light of the Company's objectives and considers other factors that may have impacted the success of the Company in achieving its objectives.

(h) Board Committees

As the directors are actively involved in the operations of the Company, the size of the Company's operations does not warrant a larger board of directors. In addition to its Audit Committee, the Board has a Compensation Committee and a Corporate Governance Committee.

(i) Corporate Governance Committee

During 2018, John Meekison and Donald Lay served on the Corporate Governance Committee. The primary responsibilities of the Corporate Governance Committee are to serve as a nominating committee for directors and officers, recommend committee structures, review director independence

and compensation and assist the Board in reviewing the performance of the Board and the Chief Executive Officer. The directors intend to review the Governance Committee composition following the AGM and to appoint new directors to this committee.

(j) Assessments

The Board annually, and at such other times as it deems appropriate, reviews the performance and effectiveness of the Board, the directors and its committees to determine whether changes in size, personnel or responsibilities are warranted. To assist in its review, the Board conducts informal surveys of its directors, and reports from the Audit Committee respecting its own effectiveness. As part of the assessments, the Board or the committee may review their respective mandate or charter and conduct reviews of applicable corporate policies.

5.4 **Different Exercise Periods, Prices and Number.** The Board may, in its absolute discretion, upon granting an option under this Plan and subject to the provisions of Section 6.3 hereof, specify a particular time period or periods following the date of granting the option during which the Optionee may exercise his option to purchase Shares and may designate the exercise price and the number of Shares in respect of which such Optionee may exercise his option during each such time period.
